SQUID  
STUDIO**

---

**ACCESSIBILITY DOCUMENT**

“The Squid Studio” is located in Unit 22, 369 Adelaide Road, Newtown.

It’s part of the Adelaide Business complex, near Mcallister Park. If you are driving along Adelaide road we are on your left just before you reach the top of the hill looking over to Island Bay.

We have one carpark allocated for the Unit.

Generally we ask that visitors to the space park on the street by Mcallister Park.

If you would like to reserve it for accessibility reasons please ask in advance.

The front door looks like this!

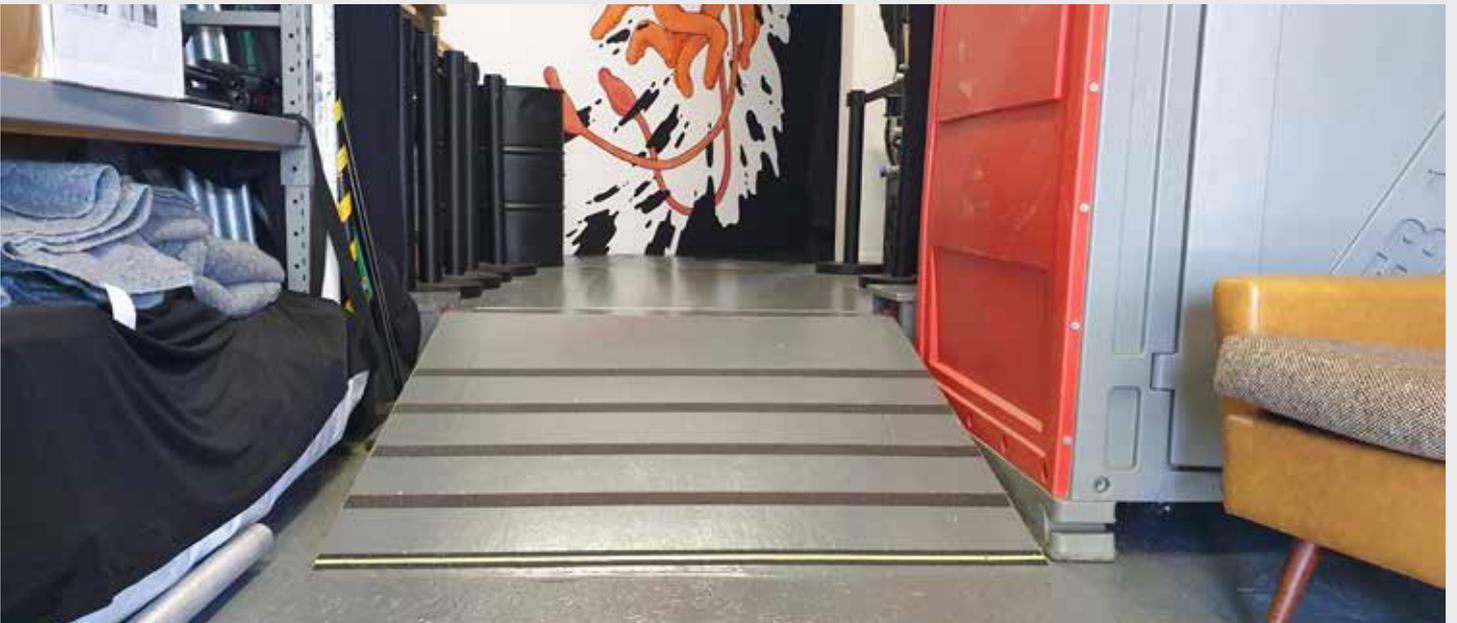

The front door has two steps the largest of which is 380mm high.

If this doesn't work for you you are more than welcome to come through the garage door to the left.

The garage door has a concrete ramp at an angle of roughly 30 degrees.

There is a lip at the bottom and a lip at the top. The largest of which is 55mm.

As you come into the space you will head up a small ramp at an angle of roughly 40 degrees.

At the top of the ramp to your right is our kitchen.

You are more than welcome to help yourself to Tea and Coffee and use the facilities.

Continuing straight forward from the ramp you will find the studio space!

Other than the doors this is the tightest access point at 1100mm.

If you need to use the Wharepaku the building has shared facilities.

You will head out the way you came and then head across the carpark about 15m.

The toilet has the word "Private" on it.

The toilet is small and has a step 230mm in height.

We always have someone onsite when you're using The Squid, so if you need anything please ask. They will be more than happy to help.

If you would like to touch base or let us know anything we can do to make the space more accessible for you then please get in touch.
